SENIOR CLASS PUBLICATION OF DAVIDSON COLLEGE

J. W. HOLLAND, Editor—C. G. LUTHER, JR., Business Manager

FROM

Morn til Night

THE clanging of the 7:40 a.m. bell the breaking of pleasant slumbers a roll over to the other side of the bed before you know it. the 7:55 bell just time to shut that alarm off. catch a quick shave. and off to the Pep a hurried cup of coffee mail comes first despite that 8:25 first period bell a lab. chapel. and two classes this morning what a schedule at dinner someone mentions "How about the picture show?" you may as well go. you can't study in the daytime first you'd better go by the bank and deposit that check Dad sent this morning after the show a work-out in the old gym then a good hot shower. just the thing to make you enjoy supper and then get down to some faithful study and you do start out all right. but after a while. someone yells down the hall. "Let's cut a coke" the Stud Store beckons and you succumb the night's young. and you can't finish everything you started discussing at the Stud right away a healthy "bull session" is in order 11:30 and three hard lessons to get up you might as well wait. until the Midnight Hoot-Owl comes on over WBT... nodding over your desk at 1:20 another five

AT DAVIDSON

minutes and you've just got to hit the hay—oh, well, to-morrow is another day. That's a day at Davidson for many a senior.

However, a cut and dried existence day in and day out would be listless drudgery. Every day you learn something new—from the administration, from the professors in the class room, from your classmates, from your organizations and fraternities, and from every phase of campus life. It really would be impossible to say that every day is the same at Davidson.

The informalities of these days is offset by a spiritual high-mindedness and a valued culture, which are yours to gain and which belong as rightfully to you as they do to the institution. These are much too intangible to be set forth in pictures; but keep them in mind, and as you peruse these pages, may you be reminded of your best days at Davidson.

CLASS POEM

I

Supposed builders we! And who are we
To raise a beacon with a craftsman's skill?
Has not the doubting cynic scoffed at us
In piercing words: "Ex nihilo nihil"?

But we can hold a flaming torch on high,
And cast a flickering light across the foam;
Our lamp, tho' dim amid the roaring waves,
May guide a weary traveler safely home.

II

Supposed thinkers we! And who are we
To boast of wisdom and of solemn thought?
We may not hope to lead the troubled world
To distant heights, which long all men have sought.

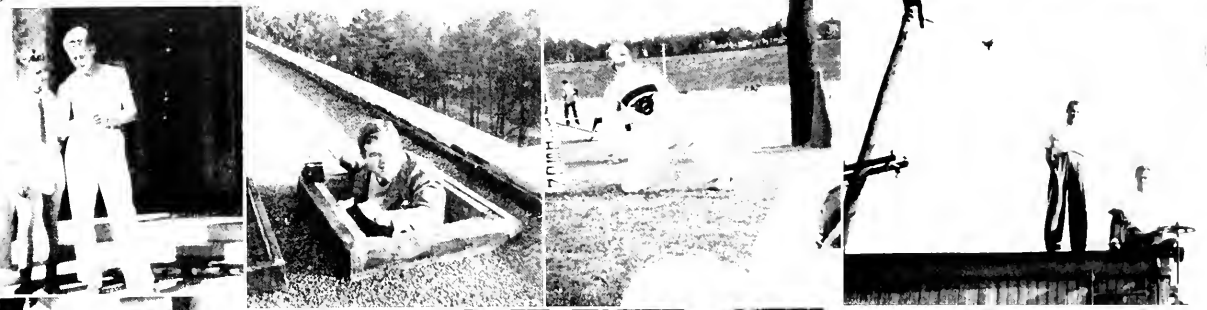

But we can take the broken harps of life,
That those who've gone before have left behind
For us to mend, and strive to make each string
Vibrate in harmony to rouse mankind.

III

Supposed doers we! And who are we
To act without a first direct command?
May God, who rules our hopeful destiny,
Speak now that we may hear and understand.

Then we will rise from beds of restful ease,
To heed that warning, faint but sharp and clear:
To take our places in the ranks of men:
To work, unceasing, through each coming year.

The function of the Court of Control is to maintain Freshman discipline. Its eight members are appointed by the President of the Student Body after conference with the Senior Members of the Student Council. Two of the Senior Members act as Judge and Recorder.

Powers allotted to the Court in the Constitution include "the hearing, investigation, and dealing with of charges that upperclassmen bring against Freshmen for improper conduct, violating Freshman regulations, or breaking college traditions." Their sentences usually consist of confinement to campus. Although it has these powers, the Court is directly responsible to the Student Council, and any cases may be referred to it.

STUDENT GOVERNMENT

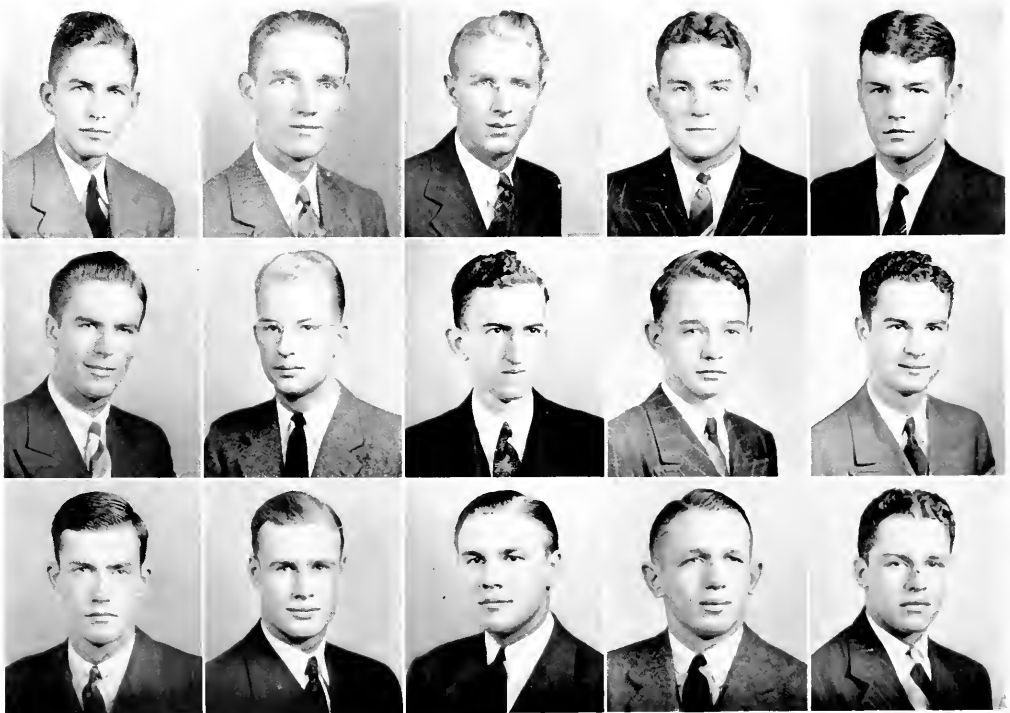

The Student Council was founded in the spring of 1910 to correct such conduct and practices in the dormitories and on the campus which were directly contrary to the ideals of the Student Body. Further, this body set out to eliminate all class friction and to secure a more efficient enforcement of the Honor System. Its scope of jurisdiction has since increased to include the supervision of the Court of Control of Freshmen and the embodiment of principles which are most conducive to the welfare of student government.

Each year the Council introduces different measures and amendments to the Constitution of the Student Body as it sees fit. The most important amendments passed in the past few years by the Council, and subsequently by the entire Student Body, are one setting up a Point System, whereby no senior is allowed to have more than 40 points, thus distributing offices on the campus more equally; one which set

up an Elections Board to control all student body elections; and one which states that the Vice-Presidents and Secretary-Treasurer of the Student Body, upon their election, automatically are elected to the Student Council. These latter two were passed in the Spring semester of this year.

Membership of the Council, up until the passage of the last aforementioned amendment, has included the President of the Student Body, the Presidents of the three upper classes, and five members of the Senior class, three of the Junior class, and two of the Sophomore class. By the action of this amendment, each class's representatives are decreased by one in order to allow for the Vice-Presidents and Secretary-Treasurer of the Student Body. These additional representatives are elected by secret ballot in their respective classes.

The Student Council is an organization increasing yearly in esteem, and is recognized as a group which holds the chief interest of the student body as its guiding principle.

The Y. M. C. A. at Davidson continues to be the student's closest contact with active Christian service. Each year a wider range of opportunity is opened up, and the student Christian association has endeavored to meet these challenges as they have appeared.

With its motto—"One cannot be religious without doing religion"—the Y. M. C. A. has carried its work into every phase of student activity, its services being so many and varied that only a few of the most important can be mentioned. The "Y" has charge of the Sunday evening Vesper services, importing many speakers of note as well as faculty members, all well received by the student body. The "Y" also sends out deputations, conducts classes in various subjects, holds discussion groups, promotes prayer meetings, is active in social work in the

town of Davidson, and performs many other similar functions which bring the spiritual life of the campus to a higher plane.

There are two governing boards of the "Y": The Board of Control and the Cabinet. The Board of Control has charge of the business and financial functions of the organization, and the Cabinet assumes the duties of carrying on the actual labor. Nor should the diligent, comprehensive service of the general secretary be forgotten, for his is a major role in the organization's plan.

Chosen each year by the Board of Control, the secretary is an alumnus of Davidson. This year's secretary is Sherrard Rice. He has had a fine year, and his contagious enthusiasm for Christian service has met a fine response from the student body.

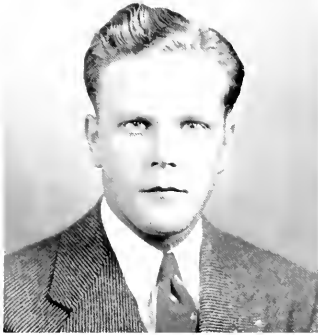

HOLLAND

JACK HOLLAND EDITOR-IN-CHIEF

The first issue of QUIPS AND CRANKS, yearbook of the Senior Class, was published on the Davidson campus in 1895, and it has appeared annually since that date with only a few interruptions. Each year it has presented a cross-section of the life of the average senior at Davidson. This year, the purpose of QUIPS AND CRANKS has been to make this cross-section a little more vivid with the theme of Life at Davidson.

The book is offered with the hope that through the many informal pictures every senior may retain a reminder of his happiest days here. It serves as the only means to give students, faculty, and also outsiders an extremely natural picture of Davidson.

LUTHER

Every year new ideas are brought forth on our campus, but there is ever one prevailing element, an intangible something known to every Davidsonian as the Wildcat spirit. All of the year's activities—fraternities, both honorary and social, athletics, publications, organizations for student body administration, and many others—are permeated with this quality. The QUIPS AND CRANKS staff would be unsatisfied if it did not feel that there is a proper embellishment of this spirit in our book.

Each week *The Davidsonian* appears as the official newspaper of both the college and the village. The editorial staff, consisting of the editor-in-chief, six managing editors, and the freshman and sophomore reporters, meets in its office on Elm Row on each Monday night of the college year. Here the news of the week is synthesized and copy for the printer is made up. The paper is distributed on each Thursday afternoon, and the business staff attends to the circulation phase, sending copies to alumni and parent subscribers, as well as distributing the paper to student and faculty post office boxes.

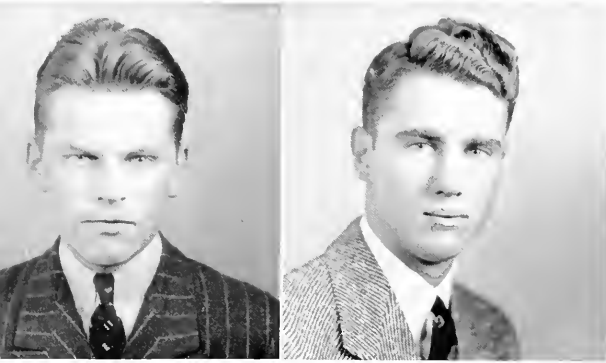

The Davidsonian is a recognized leader among southern college newspapers and last year attained first-class rating, being judged by the Associated Collegiate Press.

The Davidsonian is financed by funds of the Publications Board and by advertisements. The advertisements are solicited by the business staff, which includes the business manager, one assistant business manager, two advertising managers, two circulation managers, and a collection manager.

The editor-in-chief is elected each spring from the managing editors and the sports editor by vote of the entire student body. The business manager is chosen from the six aforementioned members of the business staff by the Publications Board. Both must be members of the rising senior class.

Supplying an opportunity for Davidson's youthful, but talented writers and cartoonists to exhibit their efforts in the realm of wit, the *Scripts 'n Pranks*, campus humor magazine, is published four times annually during the months of November, December, March, and May.

Through the capable editorship of Jack Abernathy and the efficient managership of B. B. Plyler, *Scripts 'n Pranks* has reached recognition of being one of the outstanding college humor magazines in the state. Elected by the student body, the editor of the magazine chooses the editorial staff, which is composed of art editor, associate editors, and managing editors. The Publications Board selects the busi-

ness manager, and he chooses his own business staff.

This year's regular features have included "Rambles in Rhythm," an up-to-the-minute commentary on orchestras and music by Herbert Swasey and Vincent Wyebe; "The Poet's Corner," to which have contributed Frank Jeter, Dave McLean, Albert Winn, George Milne, and others; "Scoop the Snoop," a daring campus exposé, written by an anonymous "dirt-hound"; and covers and cartoons by Gordon Horton, art editor, who was assisted by Dan Hodges and Ed Shewmake.

Additional contributions of note were short stories by Arch Taylor, Gordon Horton, George Milne, and others; a photographic "Gal-axy" of our inimitable trio of comely co-eds; and a "Court of Beauty" selected from photographs of their "one and only" girls turned into the judges by students.

With this power and working under the guidance of the faculty publications committee, it appoints the business managers of QUIPS AND CRANKS, *The Davidsonian*, and *Scripts 'n Pranks*. These business managers are directly responsible to the Publications Board, and at the beginning of each year they must submit a planned budget, upon which their publication is to be run.

THE FORENSIC COUNCIL

The Forensic Council, which acts in conjunction with a faculty committee of which Professor C. K. Brown is chairman, has charge of all the intercollegiate debating at Davidson. Each year the council is composed of six men chosen from the ranks of those who have shown special interest in debating. For the year 1939-40 the council was composed of Neal Scott, president; Warren Ludlam, first vice-president; Richard Kenyon, second vice-president; Drury Thompson, secretary; Robert Ramsey, treasurer; and William Loftin, debate manager.

Among other duties, the Forensic Council works out a budget and a schedule of debates for the year, acts as host to visiting debating teams, selects the freshman debating team, and conducts a tournament for this group.

Three trips are made each year by the debating team, with two members of the council going on each trip. First they go westward to Centre College, University of Louisville, Oberlin, Denison, and Ohio Wesleyan. The southern trip takes them to the College of Charleston, University of South Carolina, Georgia School of Technology, University of Alabama, and Birmingham-Southern. On the northern trip they match their ability with the teams of Wake Forest College, University of Richmond, William and Mary, Rutgers, and Wesleyan.

Last year, for the first time, the freshman team was given a debating trip, but no trip has been scheduled for this year for its four members.

DEBATING

Davidson's Debating Teams proved very successful this year, upholding the true high standard of previous Davidson debaters. Several men returned from last year's team, and together with other well experienced men rounded out three well balanced teams with three alternates. This group was selected by the faculty committee on debating, Professors Erwin and Bailey, and Drs. Cumming and Brown, after they had heard the five minute trial speech of each candidate. The squad was then divided into three teams of two principals and an alternate each.

Neal Scott, Bill Loftin, Drury Thompson, Frank Barker, Dick Kenyon, and Bob Ramsey composed the principals of the teams, while Albert Winn, Warren Ludlam, and

John Farrior made up the alternates. During the spring Scott and Loftin made a trip up through Ohio and Kentucky, Thompson and Barker through Georgia and Alabama and Kenyon and Ramsey through Virginia, Maryland, and New York, debating with colleges and universities throughout these states. Professor C. K. Brown coaches the entire squad before debates with other colleges are held.

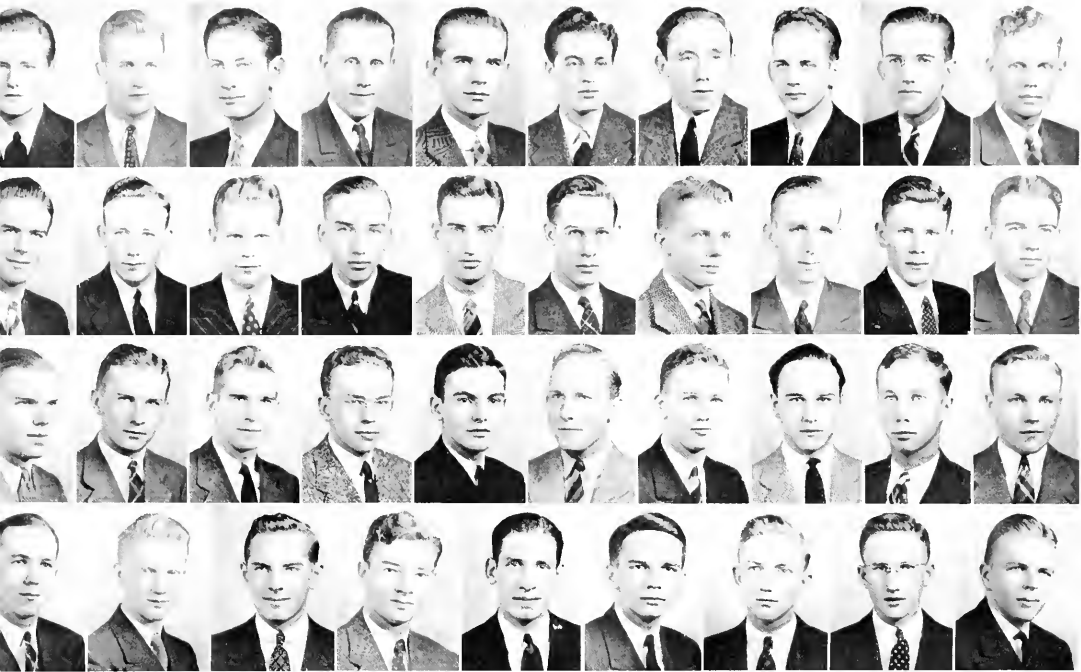

The topic for debate this past year was RESOLVED: "That the United States should follow a policy of strict economic and military isolation toward all nations outside the western hemisphere engaged in armed international or civil conflicts." Davidson defended both the affirmative and negative side of this question on different occasions.

DAVIDSON SYMPHONIC BAND

The highlight of Davidson's musical year was the Second Annual Musical Festival, presented on February 10-12, under the direction of Prof. James Christian Pfohl. This year the festival extended its scope and representatives of four colleges and two universities took part in the concert series. Organizations heard were: The Michigan Little Symphony, under the direction of Thor Johnson; the Queens Choral Club under the direction of Miss Grace Robinson; the Davidson Festival Chorus of approximately eighty voices; and our own three organizations, the Davidson Symphonic Band, the Davidson-Queens Little Symphony, and the Davidson Glee Club. In addition to these organizations a number of soloists took part. The climax of the festival was the Sunday afternoon con-

cert, which was the oratorio, "Elijah," by Mendelssohn.

This year another innovation was introduced to Davidson's musical world. An honorary musical fraternity was organized. Beta Gamma Phi was the name chosen, and Harper Beall was selected as President. At the present it is a local group, but petitions are being drawn up in attempts to make it a chapter of a national music fraternity. This organization was responsible for four concerts during the year. One of the most popular heard on the campus in recent years was on December 4th, when they presented the Platoff Don Cossack choir.

Our own Symphonic Band opened their season formally on the evening of November 3rd, during the Homecoming Week-end. This

LITTLE SYMPHONY ORCHESTRA

was followed the next morning with another concert by the band together with the Glee Club for the graduates who were returning on Saturday for the Homecoming festivities.

On Friday, November 17th, the Symphonic Band gave another concert, this time in collaboration with the musical organizations of Queens-Chicora College of Charlotte.

During the month of December, most of the musical work was taken up with preparations of the annual Y. M. C. A. Christmas Vespers Program. All three of the musical organizations took part in this program, which was developed around the usual theme of the birth of our Lord.

This year, instead of attempting to have a Little Symphony composed of Davidson

students alone, Professor Pfohl organized a Davidson-Queens Little Symphony. They have performed in Charlotte over the radio and at several benefit concerts.

The Music Department has made rapid strides in the past few years, and now holds a high position on the campus. More than two hundred and fifty take part in some phase of music on the campus, a continued interest in music by the student body thus being warranted.

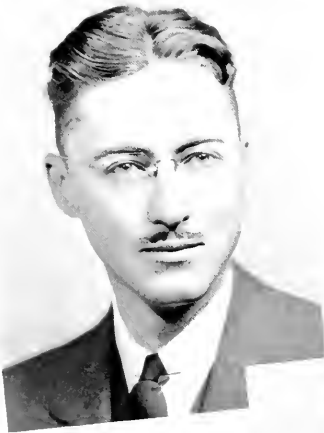

Prof. James Christian Pfohl, Prof. Thane McDonald, and Mr. Warren P. Babcock comprise a young and active musical faculty, whose efforts in the promotion of fine music on the Davidson campus are unstinted.

GLEE CLUB

This year's Davidson College Varsity Glee Club, under the leadership of Thane McDonald, has a limited membership of thirty voices. The Glee Club has served regularly throughout the year as the Vesper Choir for the College Sunday Vesper Services, at which time the finest of choral and sacred music is presented. On three occasions the Glee Club, in collaboration with other musical groups, presented an entirely musical Vesper Service. Also during the year several concerts were made in different cities throughout North and South Carolina together with appearances at other colleges.

The officers of the Club this year are: President Harper Beall, Vice-President Jim McDonald, and Secretary Jim Crook.

FOOTBALL BAND

This musical group of approximately 70 men was the first musical organization to swing into action this year. They made trips with the football team to Greensboro, Winston Salem, Sumter, S. C., Charlotte, and Blacksburg, Va., as well as performing at all the home games. Led by its four drum majors, Head Drum Major Fred Chetwood, Carl Rowland, Bill Norman, and Bob Garvey, the band attracted much favorable comment by its intricate maneuvers. Two of the most memorable of these are the forming of a lighted cigarette in the mouth of a man, as they play "Smoke Gets in Your Eyes" and the figure of the turkey and hatchet that they formed in Charlotte at the Thanksgiving day game with Wake Forest. The accuracy and the ease with which the band performs is due to the efficient tutelage of Prof. Prohl and Prof. Babcock.

SCABBARD AND BLADE

Requirements for membership in Scabbard and Blade are character, leadership, efficiency, and knowledge of military tactics. This national honorary military fraternity was founded by the Senior Officers of the University of Wisconsin in 1904. The local chapter, known as "B" Company, was established in 1923. The society holds two tap days each year, one in the fall for Senior officers, and one in the spring for the rising Senior officers.

Officers of "B" Company this year were: Tommy Harnsberger, President, Bill Bolin, Vice President, Bennett Harrison, Treasurer, and Bob Kellogg, Secretary.

When the bureaus and desks of the dormitories are ripped of their pictures, Davidson is found not to be quite so monastic as one may think. Femininity is discovered in all its glory—blondes, brunettes, and redheads. In the next few pages we offer our evidence.

DAVIDSON WILDCATS OF 1939

N. C. STATE 18—DAVIDSON 14

Davidson's untried Wildcats opened the season like veterans and barely dropped a one-touchdown decision to a highly-touted State eleven. All five touchdowns came as a result of passes, neither team being able to penetrate the other's wall consistently.

The Wolves tallied twice in the first half on long passes after Davidson's lighter line threw back their running attack time after time. Early in the third quarter Sharpe's passes clicked for two

rapid touchdowns, and on both occasions Yoder converted to give the Cats a two-point lead. In the fourth quarter a long State pass connected again for the final score of the game. With seconds to play Davidson ran and passed their way deep into State territory, and the final gun was the Wolves' margin of victory.

DUKE 26—DAVIDSON 6

In Davidson's first home game, against the mighty "Rose Bowl" Dukes, the Wildcats achieved the impossible by being

the first team to cross the Blue Devils' goal line since 1937, with the exception of Southern California in the Rose Bowl. Duke led at the half by the slender margin of 7-6, after Hackney pulled down Sharpe's pass for the Cats' lone tally. Held to nearly even terms during the first half, the Blue Devils' unlimited reserve strength and superior weight enabled them to force their way through Davidson's line for three more scores.

FURMAN 15—DAVIDSON 0

Hampered by numerous injuries, Davidson dropped its fifth straight in a heartbreaker to Furman's Purple Hurricane. Led by Shetley and Martin, Furman was able to push over two touchdowns in the third quarter to gain a comfortable lead, which was cinched in the closing minutes by a safety. The lack of several regulars in the line-up was keenly felt, and played no small part in the Cats' defeat. Their only real scoring threat came in the second half when Spencer

and were barely bested in a hard-fought game. A driving rain and muddy field prevented accurate passes—the Wildcats' most potent offensive weapon. In the opening minutes Sharpe attempted to punt from his own goal line, but failed to get the slippery ball away. Tipton, hard-charging Cadet tackle, broke thru to block the kick and give his team the only score of the game.

SOUTH CAROLINA 7—DAVIDSON 0

In their fourth game of the season Davidson was still unable to break into the winning column, although they were very narrowly defeated by the Gamecocks. For three quarters Sharpe and Jay Bolin carried the attack repeatedly into South Carolina territory, but late in the fourth period the Wildcats were overpowered by superior weight; and a sustained South Carolina drive ended in a touchdown. Bad breaks continued to follow the Cats in this game, though several sophomores gave evidence of great potential ability and future powerful teams.

worked the ball to the Furman 11 yard line. From there Yoder attempted a field-goal on fourth down which was wide by inches.

CITADEL 14—DAVIDSON 22

To climax the Homecoming festivities, Davidson completely outplayed a smaller Citadel eleven to earn their first victory of the season. The Cats lost no time in setting to work with a powerful offense, which netted a touchdown early in the first quarter. Citadel managed to even the count in the second period, but Yoder, Sharpe, and Jay Bolin rapidly chalked up three more touchdowns to put the game away. In the closing minutes Captain Richmond broke through to smear Edwards behind his own goal line and give the Cats two more score points. Both teams were considerably handicapped by a cold wind and heavy rain.

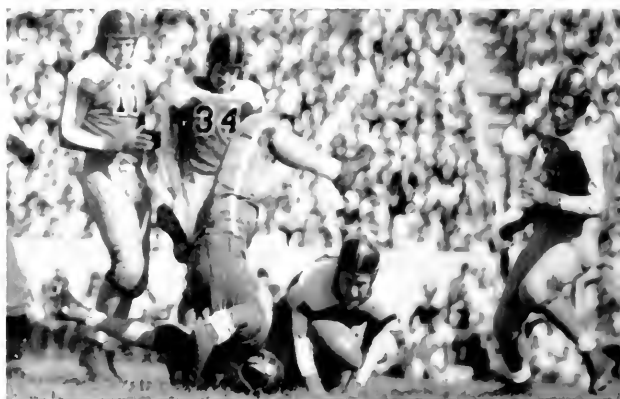

NORTH CAROLINA 32—DAVIDSON 0

Davidson suffered its worst defeat of the season at the hands of Carolina's undefeated Tar Heels. Faced by a larger and more experienced eleven, the Cats were at a loss before long-range passes and shifty power plays. Bahnson and Yoder starred defensively, but Carolina's heavy line kept the Davidson line almost at a standstill. Spencer made several good runs for the Cats, yet was never quite able to maneuver the ball into scoring position.

ERSKINE 6—DAVIDSON 32

Coach McEver alternated two teams against a hopelessly outplayed Erskine

eleven, and the result was an impressive victory. The outcome was never in doubt from the opening whistle, for Yoder, Spencer, and Bolin combined to score once in every quarter, and twice in the second on Sharpe's accurate passes. Erskine's lone score came in the first period when a short forward pass and a double lateral netted 67 yards and a touchdown. The Davidson plays worked consistently for long gains, though Erskine was considerably hampered by numerous injuries and a much lighter squad than usual.

WAKE FOREST 47—DAVIDSON 7

The Big Five's oldest rivalry, between Wake Forest and Davidson, was ended this year with an overwhelming victory for the Deacons. Boasting a tremendously powerful running attack and a crashing fullback, Wake rolled over the smaller Cats on sheer strength. Fumbles and the almost uncanny punting of Mayberry threw Davidson back to their own goal line time after time, from where Polanski was usually able to crash over. Tubby Hand thrilled Wildcat supporters by a beautiful 72-yard run through the entire Deacon team for Davidson's only score. Bill Bolin and George Richmond, lettermen for three years, ended their football careers with this game and both turned in stellar performances.

BASKETBALL

BASKETBALL

With only three capable performers returning from last year's fast-moving quintet, Coach Shepard had his hands full to develop a winning team. The result of his work was a credit not only to Coach Shepard's ability, but also an attribute to Captain Footsie Cowan—who paced his team through the season; and final standings proved he was outscored in the Southern Conference only by All-American George Glamack of North Carolina.

Captain-elect Jimmy Hogg was second in team scoring for the year with 177 points and placed sixth in the Conference ratings. Benny Harrison, Hayseed Thomas, and Melvin Means, all seniors, combined into a dependable trio which was often outscored but never outfought during the season. The loss of these three, along with Cowan, will be a serious handicap to building a winning combination in 1941.

Early in the season the Cats seemed destined for the tournament, but a mid-season slump was enough to ruin all hopes of a championship team. Cowan and Hogg were the only two consistent scoring threats, and when they failed to click, the Wildcats lost. Harrison in particular deserves credit for his great defensive work, but men

were never available who could fill the shoes of Iverson, Hicks, and Tice.

In the two final games of the year the Cats showed what they could really do by overwhelming South Carolina, 51-38, and Furman University, 46-35. Earlier in the season they defeated Citadel, Guilford, V. M. I., and several others. Against their Big Five opponents, however, the Cats seemed powerless, and one victory over State was the best they could do in eight starts against Duke, Carolina, Wake Forest, and State.

Individual honors for the year go unanimously to Captain Fotsie Cowan, who set a new scoring record against Citadel of 31 points. This is the highest individual score ever made in the Davidson gymnasium—falling only one point short of Jim Waller's Southern Conference record. Despite the loss of four lettermen, the prospects for next year are fairly bright. Captain Hogg will be the only senior letterman, while Yarborough, Simonds, McLeod, Lucas, Bell, and Sink, all rising juniors, will be fighting for positions. From the freshmen come several excellent players, and the result should be a fast, sharp-shooting, close-guarding outfit, though lack of height will be a great handicap.

TRACK

TRACK

Although the Davidson cindermen have as yet participated in only two meets, they have won both, and appear to be the strongest team in recent years. Captain Bob Kellogg has led his team on both occasions to victories over Maryville College and V. P. I. with ten and eight points respectively. His distance running has been the team's greatest asset, and naturally he is being counted on heavily for the remaining meets.

Against Maryville the Cats took first place in all events except the high jump and the relay, the former being won by Etheridge on a six-foot jump and the latter was forfeited by Davidson. Captain Kellogg romped home to easy victories in both the mile and the half-mile, while Spencer likewise took first place in the javelin and the broad jump, and Blanton Williamson won two firsts in the hurdles.

In their first Southern Conference engagement again V. P. I. the Wildcats

came out on the long end of a 65-60 score. Captain Kellogg accounting for a first in the mile and second in the half. Williamson again won two first places in the hurdles, while Taylor and Shannon both took a first and a second. V. P. I. held a six-point lead until the last three events when Davidson pushed ahead to win.

Sophomores Blanton Williamson and Archie Taylor have proved the year's sensations. Williamson in particular being the most improved runner on the squad. Coach Pete Whittle had found himself knee-deep in sprinters for the first time—White, Williams, Taylor, Spencer, and others—his only trouble in that division seems to be picking the fastest men. In the field events there is likewise a surplus of material with Spencer, Cowan, Strandwitz, Brenizer, and Shannon showing up particularly well.

There is likewise no lack of weight men. Yoder, Knoeller, and Freeze are handling the discuss, with Bell and Knoeller putting the shot. Probably the weakest points of the team are the middle distances, but several men have shown great improvement. The prospects for next year are equally bright, as Gammon, Kellogg, Black, and Harbin will be the only men lost through graduation. If Coach Whittle can develop one or two good distance men, Davidson should have the best team in its history in 1941.

BASEBALL

Although the Wildcat nine started the season rather raggedly, winning three of their first seven games, they have shown a great deal of promise. Equipped with an unusually fast infield and a capable six-man pitching staff, the Cats are fairly sure to win almost all their remaining games.

In the opener it was Clemson all the way by a 15-2 score—with the Cadets pounding three Davidson pitchers for 15 safeties. The next game, however, was a very different story, for Captain Hayseed Thomas scattered eight Erskine hits while his teammates pounded out ten runs for a 10-6 victory. The first home game saw Davidson's sophomore Ed Lucas turn in a brilliant pitching performance, but he was overshadowed by Vaughn of Richmond, and the Cats lost their second game of the season.

The Wildcats then proceeded to two straight wins over Colby College and The Citadel on the strength of good pitching by McLean.

COACH SHEPARD

Thomas, and Lucas. In the next three games the Cats suffered a complete reversal of form and were defeated by Duke, Wolford, and Furman. On all three occasions Davidson showed lack of hitting power, and their fielding ability couldn't hold down their opponents enough for a victory.

At present there are twelve games remaining on the schedule, and the Cats should have more than an even break for the season with ease. Thomas, McLean, and Lucas have been handling the pitching duties, but Reinhardt, Ficklen and Chastain are all ready for action. Russell Edmondson has caught every game so far, showing ability at the plate as well as behind the bat.

A fast infield, composed of Carter, Yarrowborough, Owens, and Hogg, has fielded almost errorlessly to date and compares favorably with any team in the conference. The outfield presents Coach Shepard with his major problem, though Hunter, Verner, Niven, and Fitzgerald have all been playing good ball. The loss of hitters like Hand, Hicks, and Steere made a great gap to be filled in the outfield as well as in hitting, but if the team develops as expected there should be no lack of batting power at the season's end. At present there are four sophomores and three juniors in the starting line-up, so prospects are very bright for next year.

WRESTLING

The Wildcat wrestling team, an unknown quality except for one or two men, carried out a hard six-match schedule and were victorious in only one meet. The work of Captain Graham McFadyen was the highlight of the season, as he opened the year with a Championship in the Southern Conference tournament and was undefeated until the final meet with Maryland, when he was narrowly defeated.

The Cats were downed by more experienced teams from Duke, N. C. State, V. P. I., Carolina, and Maryland, but won a fairly close decision from the Winston-Salem Y. M. C. A. In the lighter weights Abels, Moore, and McIntyre all had good records for the season, while big Ed Hipp gave a good account of himself in the heavyweight class. The other weights were filled by inexperienced men, and the gaps left by graduation were never adequately filled.

This was Coach Chet Chapman's first year as wrestling coach, but with several returning lettermen he is looking forward to a successful season in 1941. Captain-Elect Abels, Moore, and Parrish will be counted on heavily in the lower divisions, while a year's experience should make Bahnsen, Freeze, and Hipp more valuable than ever.

MANAGER BEALE, TURNER, TENNIS, Co-Capt., SPROULL, SHORE, HUNTER, Co-Capt.

TENNIS

Davidson's varsity racquet wielders of 1940 have so far given evidences of duplicating the record of last year's crack team, if their first seven matches are a fair sample of what they can accomplish.

The tennis team opened the season by defeating the Michigan State team 6-1 at the Myers Park Country Club in Charlotte. Next the netmen traveled to Georgia, where they played the University of Georgia, Emory University, and Georgia Tech, defeating all three opponents. Georgia and Emory were both beaten by the score of 5-2, and Tech by 4-2. It is the second year that the well known Emory netmen have been defeated by Davidson. Next the Wildcats trounced the Citadel team 9-0 on the home courts, and in Charlotte they defeated Colgate 6-1 and tied Kalamazoo 4-4.

Though undefeated, the netmen still have a number of meets as the annual goes to press. Their remaining schedule is:

Presbyterian College at Clinton, S. C.
University of Mississippi at Charlotte,
N. C. State at Davidson

Washington and Lee at Charlotte,
Pennsylvania at Philadelphia,
W. and L. at Lexington, Va.

University of Virginia at Charlottesville, Va.

The tennis team this year is co-captained by Rea Tenney and Lock Hunter, two of the four lettermen from last year. The other veterans are Juniors Dick Shore and Billy Turner, Miller Sproull and B. B. Plyler complete the squad. The line-up is usually Turner, Tenney, Hunter, Shore, Sproull and Plyler.

Leading the race for individual honors are Tenney and Hunter, both of whom have won seven matches and lost none. In second place is Shore, who has won six and lost none. Tenney and Shore lead the doubles honor with six wins and no losses. Hunter and Turner are second with three victories and two defeats.

GOLF

Possessing one of the best golf teams of recent years, Davidson has won four matches to date, and lost five to more experienced teams. The Cats placed fifth in the Southern Intercollegiate Tournament, which is excellent for a team without good golfing facilities. Three men have been playing regularly with Wright and Abels alternating in the fourth position. Captain Pegram and Granville Sharpe have both shot consistently low scores in every match.

In the opening engagement with Hampden-Sydney the Wildcats were narrowly defeated, 9½-8½. They came back the next day, however, to easily overwhelm Boston College, 17½-1½. During Spring Holidays the team traveled south and were beaten rather badly by the Universities of Georgia, Florida, and South Carolina. On their return they immediately proceeded to trounce Catawba, 11½-6½, and shut out Kalamazoo, 18-0.

Against a highly-touted Duke team the Wildcats were barely beaten, 11½-6½, and with their hardest matches of the season behind them, they stand a good chance of winning all their remaining engagements. Prospects are fairly bright for next year with both Sharpe and Abels returning, while several freshmen have shown exceptional promise, and the remaining places should be well taken care of.

WILDCAT STARS F

FOOTBALL

Davidson's freshman football team, under the guidance of Coach Crowell Little, had one of the best rounded teams of recent years—though probably not as good as last year's fine outfit. In the line Captain Herb Rainey was the outstanding man and seems to be slated for a varsity berth. Several good backs, Frederick, Maloney, Ebly, Lacy, and Sprunt, all played well and will be counted on heavily next season.

CROSS-COUNTRY

The freshman cross-country team, possessing only one outstanding runner, had a much poorer season than usual. Rufus Nimmons was the only consistent point winner for the team and placed first or second in every meet. Belk, Ansley, and McLean all showed up well and will be needed greatly next fall as practically all the varsity is graduating.

TENNIS—MANAGER VERREN, PARRIGAN, NEWBOLD, SCHMIDT, DARRACOTT, EBLY, SUTTON.

GOLF—WASHBURN, CAVERT, ERVIN, PATTERSON, POLLOCK, CARTER.

TRACK—*Front Row:* ANSLEY, MCCOY, LUMPKIN, McGEACHY, MURRAY, E. PARKS. *Second Row:* MARTIN, DICK, McGEE, HOBAN, OGILVIE, BELK.

BASKETBALL

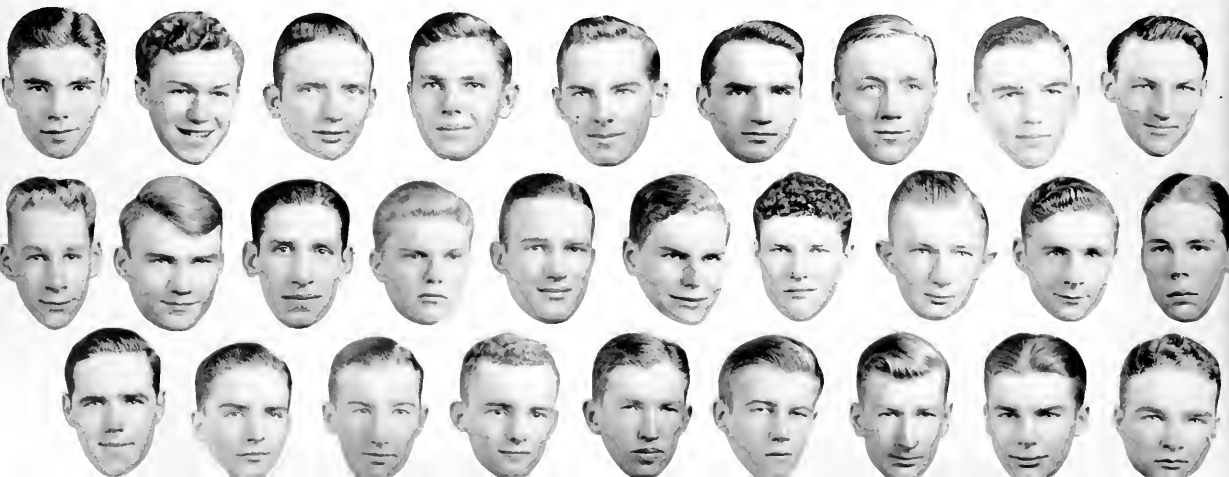

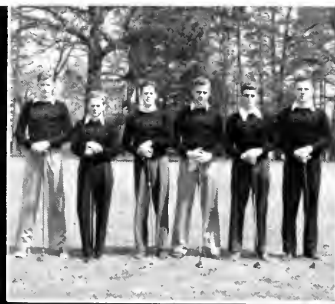

Though not an excellent team, the Wildkittens were a smooth-working outfit which emphasized teamwork rather than individual stars. Coach Little is to be commended for developing several players who can be counted on for varsity service. Keffer and Frederick are slated for first team positions, while Belk, Maloney, and Grosse should all see some service.

WRESTLING

The freshman wrestling team, always an athletic question mark, was even more an unknown quality this year than usual. Ashby Dick and Conyers were the most consistent winners and should see some action next year, while Parks, Murray, Busby, and Brinson showed considerable promise in the various divisions.

COACH—SPEARMAN. *Third Row:* WASHBURN, LACY, NIMMONS, SPRUNT, CRANE, ROBINSON, LAND.

FOOTBALL—*First Row:* BEAUL, BRINSON, BROWN, CARTER, DICK, EBLY, FREDERICK, GRAY, GROSSE. *Second Row:* HEVENER, LACY, LONG, TATE, McCRAWY, McINTOSH, MALONEY, MCKEEHAN, PATTERSON, PITRE. *Third Row:* RAINY, SPRUNT, STEPHENSON, LUMPKIN, WALKER, WALTON, WASHBURN, WOOD, YOUNG.

OR FUTURE YEARS

TENNIS

Since they have yet to play a single match, the freshman tennis team is still a completely unknown factor. Gene Sutton is sure of the number one position and should be ready for varsity action next spring. The other positions are still in doubt, though Newbold, Parrigin, Schmidt, and Wood are almost sure to play. Eibly and Morton are fighting it out for the other place and Jim Darracott may see some service.

TRACK

Though woefully weak in the weight divisions, the freshman track team is probably the best all around freshman team of the year. The running events are all well-filled, but the field events are still very much in doubt. Long in the javelin, Belk in the high jump, and Horan in the pole vault are all capable performers, but a really good weight man is yet to be found.

CROSS COUNTRY *First Place*: NIMMON, ASS. J. McNEEL, SMITH, LANE, McLENNAN, NORTON, LLOYD, J. GAMBSON, DOUGLAS, McLELLAN, LAMON, S. E. PARRIS, PARK, JAY, SULLIVAN.
BASEBALL *First Place*: PATTERSON, LEE, CALVERTON, FLEMMING, ROTH, BOSSON, K. H. W. DAVIS, PHILLIPS, WATMAN, DUBLEY. *Second Place*: CAYBELL, MANN, VALES, BRODIE, LEGGION, MALONEY, GROSS, O'LEARY, LAY, CHAPMAN, ROBERTS, HEVNER, EIBLY, RASBY.

GOLF

Though their record fails to show it, the freshman golfers have as many good performers as any other freshman team, and at least two of these will be needed on the varsity next year. Pete Cavert has been playing in the number one position, and seems to be the best of the lot. Ben Washburn, Wilbur Carter, and Scotty Patterson comprise the rest of the team, which has won two and lost three to date.

BASEBALL

Lacking a good battery but having power at the plate, the Kitten Baseball team has managed to win several games and has never been really badly beaten. Frederick, Keffer, Grosse, and Eibly have all been pitching with the best work by the first two, who together turned in a three-hit victory over P. J. C. As yet it's too early to tell whether any of the freshmen are varsity prospects.

BASKETBALL *First Place*: DARRACOTT, BOST, KEFFER, S. SMITH. *Second Place*: STEPHEN, GROSS, FREDERICK, LLOYD, WATMAN, MALONEY, not present when picture was made.

WRESTLING *First Place*: BOST, MURPHY, PARRIS, GOSCH, PARKER. *Second Place*: GUNTZ, CARROLL, DEK, GUNZ, K.

INTERDORMITORY AND

1. Champions in the interfraternity Volleyball tournament were the Sigma Phi Epsilons. Led by Tony Casali and Bill Hamilton, the S.P.E.'s were undefeated for the season. *Front row, from left to right* are Dudley, Bivins, Ed Hay, Casali, Sleet, and John Hay. *Back row, left to right:* Henderson, Tarleton, Hamilton, McDaniel, and Turner.

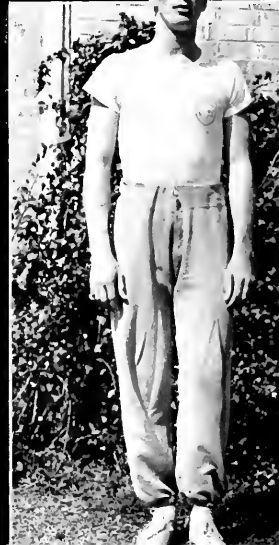

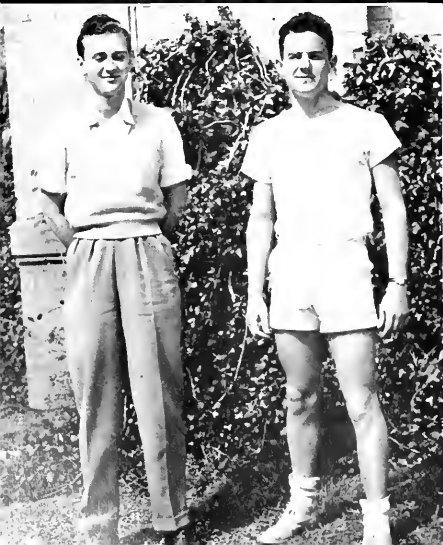

2. With only interdormitory Softball left in the schedule, the boys of West are well in the lead for dormitory honors. This year marked the first time that there has been dormitory competition since the traditional Georgia-Watts game was abolished. It supplanted the interclass sports program. *First row, left to right:* Shore, McReynolds, Barker, W. Taylor, Pharr, McCall, Squires, Gilmore, Caldwell, and E. Hay. *Second row, left to right:* J. Bolin, Garvey, Saunders, Long,

Cooper, Hamilton, J. Hay, Smith, Otts, McKinnon, R. Turner, and Williams.

3. This year our student body was well represented in the Golden Gloves Boxing Competition held in Charlotte. Dick Hudson and Buck Powell both did well; Dick went through two rounds undefeated and Buck through one.

4. The Kappa Sigmas captured the interfraternity bowling tourney for the second straight year with a crack team. *Front row:* Scott Cooper and Land. *Back row:* Thompson, Scott, and Watkins. Not present when the picture was made were Hill Cooper, Jimmy Cooper, two mainstays of the team.

5. David Sprunt served a good term this year as regular gym instructor. Although there was no gym team this year, Dave was always

INTERFRATERNITY SPORTS

on hand at the old gym ready to help anybody. He was ably assisted by Woodall Rose, who was unable to be present when the picture was made.

6. The interfraternity basketball tournament ended in a three way tie between the S.A.E.'s, the Phi Delt's, and the K.A.'s. Absent from the picture of the S.A.E. team below were such stars as Fackler, Efever, Bob Smith, Bill Wood, and Eason. *Front row, left to right:* Bob Wood, Jones, Tom Hackney, and Rogers. *Second row, left to right:* McDuffie, Young, Anderson, and Caldwell.

7. Although they beat the S.A.E. basketballers, the K.A.'s were defeated once, as was the Phi Delt team, composed of Tenney, Glenn, L. Hunter, Ferrell, and Turner, a picture of which was unavailable. The K.A. team, pic-

tured below, is as follows: *front row, left to right:* Wilson, Spencer, Thomas, and Fing; *second row, left to right:* Paterson, Lemmon, Gladden, and Vanlandingham.

8. The mighty Phi Delt football squad was the only team which incurred only one loss—this to the S.A.E.'s. Every other team was beaten at least twice. The line: *from left to right:* Tenney, Raynor, Ferrell, Burton, Mashburn, McCaachy, and Carter. Backfield: *from left to right:* Dale, Gilmore, Hunter, and Boykin.

9. The Kappa Alpha's track team was far in the lead of any other fraternity, and won with a score of thirty odd points. *Front row:* Belk, Arnold, Lemmon, King. *Second row:* Sanditer, Thomas, Wilson, Lauck. *Back row:* D. Sprunt. Other stars were Vanlandingham and Hugh Sprunt.

WHEN COLDS CLOG UP YOUR HEAD

One successful way to relieve distress of head colds is to use a few drops of Vicks Va-tro-nol.

This treatment is effective because Va-tro-nol is ACTIVE MEDICATION (containing several essential relief-giving agents plus ephedrine) expressly designed for the nose and upper throat.

(1) It actively penetrates cold-clogged nasal passages and (2) it actively helps to remove congestion that causes so much of the misery. For wonderful relief, just put a few drops of Va-tro-nol up each nostril.

Stability

SINCE time, mountain peaks have served man as landmarks; they are stable, dependable in character. To many annual staffs, through more than forty-nine years, the OBSERVER PRINTING HOUSE has served as a landmark, a guide in the producing of FINE ANNUALS.

Our quality, our service, the experience of trained personnel both in advisory capacity and in mechanical production, have ever been outstanding. Over forty-nine years of continuous service is proof of stability.
